Your papers have been received and are now in the hands of the Agency officers most interested in people with your general background. They will review the details of your qualifications in terms of their specific requirements. We cannot predict just how long this will take (it varies in the different parts of the Agency), but can assure you that the review will be done as quickly as possible and still have a thorough job of it.

If you should move before we can write again, be sure to send us your new address. Meanwhile, we ask your patience--we will let you know the outcome as soon as we can.

Sincerely,

Signed

E. D. Echols
Director of Personnel
